CLIA & CLSI

✓ Achieve Regulatory Compliance and World-Class Quality at [intellect.com](https://www.intellect.com)

 intellect

☑ MEET ISO, FDA, AND CLSI'S 12 QUALITY SYSTEM REQUIREMENTS

- Organization and Leadership
- Suppliers and Inventory
- Facilities and Safety
- Customer Service
- Process Control
- Equipment
- Continuous Improvement
- Documents and Records
- Information Management
- Nonconforming Events
- Assessments
- Personnel

☑ Proficiency Testing

Intellect's Proficiency Testing app enables organizations to review and chart proficiency test results, determine if tests meet the required quality level, and open an investigation through our nonconformance or CAPA apps if proficiency tests fall short.

- Directly integrate with NCR and CAPAs
- Keep track of upcoming, completed, and overdue tests. Send reminder emails where needed. Understand:
 - ✓ who needs more training
 - ✓ which tests require more focus
 - ✓ trends that signal potential problems
 - ✓ the root cause (origin) of errors

☑ Competency Assessments

Intellect's Competency application enables labs to document and improve the competency of their staff. The app records the results of competency events, determines if competency requirements have been met, and schedules corrective actions!

☑ ENSURE YOUR STAFF'S COMPETENCY ASSESSMENTS ARE CURRENT

- Automatically schedule assessments
- Measure and document employee competency
- Identify problems with employee's performance and correct them
- Trigger a nonconformance or CAPA to determine the root cause of competency failures

☑ LIGHTEN YOUR WORKLOAD WITH INTELLECT!

ELIMINATE LOST TESTS & MISSING DOCUMENTS

Labs accredited to ISOs 17025 and 15189 are required to participate in competency assessments and proficiency testing.

CLIA (42 CFR 493) spells out six steps that must be completed semi-annually during an analyst's first year and annually thereafter.

In addition, ISO 9001, 14001, 27001, and 45001 all have sections that reference the competency of staff.

Intellect is a leading cloud based QMS and EHSQ software provider that helps you reduce your Cost of Quality (CoQ), improve operational excellence, and meet ISO, FDA, OSHA, EPA and GxP compliance. Leverage our 20+ prebuilt apps available out-of-the-box (OOTB) and the industry's only no-code compliance platform to achieve more.
